OBJECTIVE

Pursuing a Master's degree in Computer Science, proficient in programming, web development, Data Structure, Database Management and machine learning. Passionate about applying academic skills in practical settings and eager to contribute to innovative software development teams.

EDUCATION

Master of Computer Science, Banaras Hindu University

Post graduated: June 2025

1st Year CGPA: 5.22/10.0

Bachelor of Science in Computer Science, CSJM University Kanpur

Graduated: May 2022

Percentage: 69.22

Relevant Courses: Data Structures Algorithms, Machine Learning, Web Development, Database Management

Intermediate (12th Grade), SGSVM Inter College

Subjects: Mathematics, Physics, Chemistry, English, Hindi

Board: UP Board

Passed: May 2018

Percentage: 61.66

High School (10th), SGSVM Inter College

Board: UP Board

Passed: April 2016

Percentage: 78.33

PROJECTS

Food Recipe Search Web

Technologies Used: React, Node.js, API

For the Food Recipe Webpage, I used React for dynamic components and state management, React Router for navigation, Axios for API data fetching, and Bootstrap for a responsive design.
